I-82 Statement:

Dear Honored Guests of Stan's Restaurant:

Initiative 82 (I-82) mandates that, over several years, employers have an over 700% increase in the pre-tip wages of tipped employees. We have added an I-82 Fee to help cover that increase. We expect guests to deduct the amount of the fee (9%) from what they would normally tip, for example if you would tip 20% before our addition of this fee, then please subtract the percentage of the fee from your total tip percentage, an 11% tip is our recommendation.

If guests make this small adjustment, our service team members will earn (in wages plus tips) what they did prior to I-82, our guests will pay the same amount, and our business will be neither positively nor negatively impacted. We will always offer the same excellent service and food you have always known Stan's for.

PLEASE NOTE: 100% percent of this fee goes to the amazing employees who serve you and make Stan's the fantastic place it has always been, not a single cent of this fee will be kept by the restaurant.
